A Little History

*Built in 1897 by A. MacDonald and
Company, the present Jackson's
Building started its
history as a grocery store.*

*The building sold in 1899 for \$11,500
to a
consortium of businessmen.*

*The Nelson Electric Tramway Society
and former Mayor J.A. MacDonald
(JAM FACTORY) occupied the building
until 1908. The A.S. Horswill Company
then moved into this building and ran
a successful grocery business
for several years.*

*Since then the building has been
known as*

- Mr. Kilfords Second Hand Store*
- Mama Rosa's Italian Restaurant*
- Rickaby's Restaurant*

*The building has the distinction of
being the fictitious Dixie's Cafe in the
1986 Hollywood Hit - Roxanne
